PROCEDURE

In order to encourage feedback on our services the College has developed a ‘Have your Say’ leaflet which can be used by students, parents, employers or members of the public. The purpose of the leaflet is to record compliments or suggestions for improvement. The leaflet will be located at various reception desks around the College and learning centres. It will also be in an electronic format on the website.

1. The College encourages all complaints to be dealt with informally, and if this is not possible it will be progressed to a formal process.

Students
If you are a student/apprentice and you have a complaint about any part of either your learning programme or the College in general (including claims of discrimination or harassment whether at College or on work placements), you should first of all discuss your complaint with your tutor who will try and resolve it for you within ten working days of your discussion.

If the complaint is about a member of the teaching/assessing team then you should contact your Head of School/Curriculum Director. Your complaint will be kept confidential if you wish, provided it is practicable to do so. A record of your complaint and the date on which it was made will be kept by your tutor.

1.1 If your complaint cannot be resolved informally with your tutor you should then put it in writing to the Head of School/Curriculum Director. S/he will:
- Acknowledge your complaint within five working days of receipt.
- Investigate the issues you raise – this may involve discussion with you.
- Write a response to you within ten working days of acknowledgement of your complaint. This will include a full explanation of any rejection of any part (or all) of your complaint
- Record your complaint on the ‘Have your Say’ reporting internal system.

1.2 Where issues take longer than ten working days to investigate you will be kept informed on the progress of the investigation, and a new deadline for the response will be given. The response will state whether the complaint has been upheld, rejected or partial.
1.3 As a student you may also:

Assessment

- Appeal on the issues relating to the assessment of your work through the College’s Appeals Procedure. This is published in the Student Handbook. There is a separate appeals procedure for HE. This information is published in the UCS student handbook.
- Involve a member of the Student Council in the handling of your appeal.
- If the complaint is rejected than the Head of School/Curriculum Director should advise the complainant to the Vice Principal Curriculum and Quality by writing a letter detailing your complaint and the handling of it to date. The Vice Principal will acknowledge and investigate.
- As a last resort, after all procedures have been followed, complain to the Funding Agency or the Higher Education Funding Council for England (HEFCE) depending on which organisation is responsible for your course. If your complaint concerns a course which is part of the Faculty of Adult Education’s non qualification course programme, you should complain to the Funding Agency.

Parent/Employer of a Student

2. If you are a parent or employer of a student and you have a complaint, you should first of all telephone or make an appointment to see the Head of School/Curriculum Director in which your son, daughter or employee is enrolled in order to discuss the issues of concern informally.

2.1 The Head of School/Curriculum Director will attempt to resolve the issues within ten working days of your discussion. Your complaint will be kept confidential if you wish, provided it is practicable to do so. A record of your complaint and the date on which it was made will be recorded by the Head of School/Curriculum Director.

2.2 If your complaint cannot be resolved informally with the Head of School/Curriculum Director you should put it in writing to the Vice-Principal Curriculum and Quality. S/he will:
- acknowledge your complaint within five working days of receipt;
- investigate the issues you raise – this may involve a discussion with you;
- Write a response to you within ten working days of acknowledgement of your complaint. This will include a full explanation of any rejection of any part (or all) of your complaint.

2.3 Where issues take longer than ten working days to investigate you will be kept informed on the progress of the investigation.

2.4 As a parent or employer you may also:
- Appeal to the Principal
- As a last resort, after all procedures have been followed, complain to the Funding Agency or the Higher Education Funding Council for England (HEFCE) depending on which organisation is responsible for your course. If your complaint concerns a course which is part of the Faculty of Adult Education’s non qualification course programme, you should complain to the Funding Agency.
3. If you are a member of the public and you have a complaint about any aspect of the College's work you should put your complaint in writing to the Vice Principal Curriculum and Quality or complete the ‘Have your Say’ Leaflet which is located at various points around the College and Learning centres.

The Vice Principal will attempt to resolve the issues within ten working days of receipt of your letter. Your complaint will be kept confidential if you wish, provided it is practicable to do so. A record of your complaint and the date on which it was made will be recorded on the reporting system.

3.1 If your complaint is still not resolved to your satisfaction you may:

- Appeal to the Principal within 10 working days. As a last resort, complain to the Funding Agency, the organisation responsible for your course.

4. All complaints will be logged. The system will be monitored as part of the College’s quality assurance system and a report taken to SMT on a monthly basis.

4.1 If your complaint is about the Principal then you may write to the Governing Body via the Corporation Secretary.

4.2 Copies of all complaints relating to HE provision must also be sent to the Director of HE. Copies of formal complaints made by individual HE students to College managers will be forwarded by the Director of HE to the Secretary and Clerk’s office of UCS.

4.3 If a complaint is made directly to the Principal a copy of the letter of complaint or notes from the telephone call will be sent to the appropriate line manager on the day the complaint is received. A written response should be sent to the Principal within 24 hours whenever possible but no later than 48 hours.

4.4 Issues raised as a result of complaints which are accepted as a weakness on the part of the College will be addressed as part of the College's quality improvement system.

5. A complaint against the Corporation as a Governing Body or an individual Governor of the Corporation shall be addressed to the Clerk to the Corporation who shall deal with the matter as appropriate. The response to such a complaint will include details of the arrangements for pursuing the matter with an independent body. If the complaint is against the Principal the complainant should write to the Corporation via the Clerk to the Corporation in accordance with the College’s Complaints Procedure. A complaint against the Clerk to the Corporation shall be forwarded to the Chair of the Corporation.

6. In all responses to formal complaints, the complainant should be informed of their right of appeal, and how to do so and within what timescale, if they so wish.
