Important Notes

Making an enquiry about your results

If you wish to request a post-results service, please speak to your subject tutor and complete the Review of results application form. Please submit this to your tutor by the published deadline. For English **Piers Alexander** and for Math's **Joanne Hanford**

- Requests must be submitted via email to Subject tutors only.
- Learner consent is required for RoMM and ATS.
- Late requests are not accepted.
- Outcomes may improve, confirm, or lower grades (no grade protection).

Access to scripts

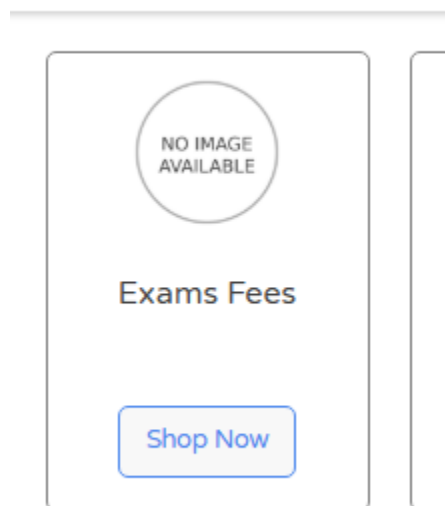

Access to a copy of the marked paper is for use when a candidate wants to see their exam paper before deciding whether to ask for a review of marking **or** when a candidate wants to use their exam paper for learning purposes. You can make this request by contacting your subject tutor. The

exam board will email a PDF copy of the marked paper to the Examinations Officer. This will then be emailed to your tutor. **Requests received after the relevant deadline will not be accepted.**

How and where to pay for the services.

Payments can be made on the college online shop. Please see link below for the college online shop.
