

The **Academy**
of Hair & Beauty

NAIL TECHNOLOGY

PROJECT

2026 – 2027

Name:

Welcome to the Academy of Hair and Beauty, Throughout the course of this year you will learn a vast number of skills, knowledge and understanding from some industry experts. We will share everything we know with you to ensure you are ready for an exciting and successful career. No matter your starting point, always have the end goal at the forefront of your mind. Each course has been designed to prepare you for your next step into the industry no matter what level you're at EVERYTHING you learn will be valuable as you progress. This project has been designed to help me understand your level of enthusiasm and creativity in preparation for your course. This will help you build your knowledge in a variety of areas that you will cover throughout the academic year. As a team we look forward to seeing what you produce.

Amanda Preston

Lecturer of Level 2 Nails

Task 1

To help with your understanding before the term starts, I would like you to investigate the different nail art tools and think about why and how you would use this. Please complete the table below by researching the tool, explain the purpose and use of each one.

Use the internet to source your answers and put into your own words.

Tools	Purpose	How to Use
Stamping Tool		
Striping tape		
Dotting Tool		
Nail Art Brush		
Rhinestone		

Loose Glitter		
---------------	--	--

Task 2

Complete the chart below that explains some of the key legislations that you must be aware of as part of our jobs.

Legislation	What is the Employee's Responsibilities	What is the Employer's Responsibilities	Why do we need to consider this as a Nail Technician?
Health and Safety at Work Act			
The Reporting of Injuries, Diseases, and Dangerous Occurrences (RIDDOR)			
The Personal Protective Equipment Regulations			

<p>The Manual Handling Operations Regulations</p>			
<p>The Control of Substances Hazardous to Health Regulations (COSHH)</p>			
<p>The Electricity at Work Act</p>			
<p>The Equality Act</p>			

The Data Protection Act			
-------------------------	--	--	--

Use the internet to source your answers and put into your own words. You must cover each question for each legislation.

Task 3

Research 3 Nail Trends. 1 past trend, 1 current trend and 1 that you think may be a future trend.

Please think about:

The name of the technique.

What influenced the style?

Please create an information booklet, showing and describing your findings. (Include pictures)

The project must be handed to me, **COMPLETED** on your first day of the course. If you have any issues and questions, please contact me via Amanda.preston@easterneducationgroup.ac.uk
