

LEVEL 3 CERTIFICATE IN BARBERING VRQ

Summer Project

Tommy.loving@easterneducationgroup.ac.uk

Task 1: These are facial muscles that you will need to familiarise yourself with for the Shaving Services unit. Fill out the table and try your best to revise these. The task is to discover where the facial muscle is and what purpose/ action it poses.

Task 2: The following legislations are crucial in a successful and safe working barbering career, familiarise yourself with the legislations and describe the employers and employee's responsibilities.
