

The **Academy** of Hair & Beauty

NAIL TECHNOLOGY

SUMMER PROJECT

2026 – 2027

Name:

Welcome to the Academy of Hair and Beauty, Throughout the course of this year you will learn a vast amount of skills, knowledge and understanding from some industry experts. We will share everything we know with you to ensure you are ready for an exciting and successful career. No matter your starting point, always have the end goal at the forefront of your mind. Each course has been designed to prepare you for your next step into the industry no matter what level you're at EVERYTHING you learn will be valuable as you progress. The summer project has been designed to help me understand your level of enthusiasm and creativity in preparation for your course. This will help you build your knowledge in a variety of areas that you will cover throughout the academic year. As a team we look forward to seeing what you produce for us ready for September.

(Nail Technology Level 3 Course Director)

Task 1

To help with your understanding before the term starts, I would like you to look into the different E-File Attachments that you will be required to understand and use throughout Level 3. Please complete the table below by researching the attachment, explain the purpose and use of each one.

Use the internet to source your answers and put into your own words.

E-File Attachment	Purpose	How to Use
Mandrel Bit		
Sanding Bands		
Ceramic Bits		
Large or Small Barrell		

Needle Bit		
Cone Bit		
Safety Bit		
Brush Bit		

Task 2

Complete the chart below that explains some of the key legislations that you must be aware of as part of our jobs.

Legislation	What is the Employee's Responsibilities	What is the Employer's Responsibilities	Why do we need to consider this as a Nail Technician?
Health and Safety at Work Act			
The Reporting of Injuries, Diseases, and Dangerous Occurrences (RIDDOR)			

The Personal Protective Equipment Regulations			
The Manual Handling Operations Regulations			
The Control of Substances Hazardous to Health Regulations (COSHH)			
The Electricity at Work Act			

The Equality Act			
The Data Protection Act			

Use the internet to source your answers and put into your own words. You must cover each question for each legislation.

Task 3

Research 3 Nail Trends. 1 past trend, 1 current trend and 1 that you think may be a future trend.

Please think about:

The name of the technique.

What influenced the style?

Please create an information booklet, showing and describing your findings. (Include pictures)

The summer project must be handed to me, **COMPLETED** on your first day of the course. If you have any issues and questions, please contact me via donna.burlingham@easterneducationgroup.ac.uk
