

TALENTFORGE

West Suffolk Skills Development Programme

This project is funded by the UK Government through the UK Shared Prosperity Fund

CONSTRUCTION SKILLS CERTIFICATION SCHEME (CSCS CARD)

Who is this course suitable for?

Anyone looking to begin a career in the Construction Industry.

What can I expect to learn?

You will learn all about Health and Safety in a Construction Environment including hazards, COSHH, PPE, manual handling and understanding the precautions to take when working on a building site.

How long is the course

The course runs for 3 days, from 9.30am to 1.30pm daily.

How and where do I study?

Courses are delivered face to face, in the classroom, at one of our professional learning centres.

Are there any exams or assessments?

There are 2 assessments during the course.

The first is taken at the end of day 2 which is an online Level 1 Health & Safety in a Construction Environment.

The second is taken at the end of day 3 which is the CSCS test which is conducted at an external test centre close to the place of study.

Will I achieve a qualification or certificate?

You will achieve a City and Guilds Level 1 certificate in Health & Safety in a Construction Environment and your CSCS card at Operative level.

Are there any costs?

Yes, employers are required to pay 20% contribution towards the costs of this course which is £55.00. The course is FREE for unemployed individuals.
