

BUILD MY DREAM HOUSE PROJECT

DIRECTIONS

Create a blueprint for your dream home.

1. Create copies and print out the desired number of room sections.
2. Cut out each section and tape together to create your perfect house layout.
3. Assign each room its own color, then make a list to keep track of your color code.

SUPPLIES NEEDED

- Scissors
- Crayons
- Tape

TIP

Have kids list the rooms in their dream home and create a color-coded key.
