

Changes to current bus services

901 Haverhill

902 Soham

903 Diss

We would like to advise you that, with effect from Monday 23rd January 2023, the bus stop for Abbeygate Sixth Form College on Western Way will be cancelled on all routes, due to a lack of sustainability.

New timetables have been posted on the Eastern Colleges Group websites and will also be handed out on each of the buses.

The bus stop at West Suffolk College, Out Risbygate, should be used as an alternative and timetables have been scheduled in line with lesson start and end times for all campuses across Bury St Edmunds.

If you have any questions about travelling to your College, please visit our websites for further information, using these paths:
